

# NGUYEN DOAN TAN MINH

## BACKEND DEVELOPER

Da Nang City, Viet Nam - [tanminh0304@gmail.com](mailto:tanminh0304@gmail.com) - 0777413230

## SUMMARY

---

I'm a senior student with a strong passion for backend development and software engineering. I'm currently seeking an opportunity where I can apply the skills I have gained through coursework, personal projects, and collaborative team efforts. My goal is to make meaningful contributions to real-world projects, continue learning from experienced professionals, and develop into a proficient backend developer.
