NGUYEN DOAN TAN MINH
FULLSTACK DEVELOPER

Da Nang City, Viet Nam - tanminh0304@gmail.com - 0777413230

SUMMARY

I'm a junior student with a strong passion for fullstack development and software engineering. I'm currently seeking an opportunity where I can apply the skills I have gained through coursework, personal projects, and collaborative team efforts. My goal is to make meaningful contributions to real-world projects, continue learning from experienced professionals, and develop into a proficient fullstack developer.
